# SYSTEM ANALYSIS

## *System Summary:*

1. Subject: Kanertravel website
2. Require functions:

### *User rights*

- ❖ Register & login, change personal information (check the user exists or not).
- ❖ Provides information on tourist attractions in the country along with accommodation, hotels, resort and related means of transportation
- ❖ The website contains a menu through which different topics can be accessed easily
- ❖ The About Us page should include detailed information about the company, also include details the website provides: number of users, number of resorts & number of hotels and restaurants along with transportation .
- ❖ The information page provides full information on: address, type of description and accompanying activities, also has more details about hotels, restaurants & resorts, various transportation related
- ❖ Allow users to comment at detail of tourist spots & restaurants, hotels, resorts
- ❖ The search page can perform search of different tourist attractions, search by names, addresses, descriptions of tourist attractions, etc... also allows to search for hotels, restaurants & resorts through name, address, price, quality or quantity, etc...
- ❖ The contact us Page is the page where the customer can contact the company and this page include the feedback, which will collect the feedback from the various users of the website.

### *Admin rights :*

- ❖ Register & login, change personal information.
- ❖ The admin page has a menu through which different topics can be accessed easily
- ❖ Display data as a table for easy management by administrators
- ❖ Allows administrators to add, delete, and edit information in different tables along with related datas (with foreign key constraints)
- ❖ Receive and manage comments and feedback from users, allow delete comments & negative feedback

#### Ba Na Hill information

**Address :** Hoa Ninh commune, Hoa Vang district, about 25km southwest of Da Nang city center

**Category :** Historical sites

#### Description

Ba Na Hills is located in Hoa Vang district, about 25km southwest of Da Nang city center, at an altitude of 1487m above sea level. This is considered a European-class resort paradise in the heart of Da Nang city, every year, Ba Na Hills attracts millions of domestic and foreign tourists to visit. The weather and climate here change constantly, rainy in the morning, sunny in the afternoon, foggy in the afternoon. Therefore, you need to pay attention to the weather forecast before going to have a full day of fun in Ba Na Hills! Ba Na Hills tourism activities

#### Actives in tourist spot

**Miniature French & European Village :** French Village is the last stop of the cable car journey, located on the top of Chua mountain. This area is designed according to ancient European architecture, like the dreamy Paris city of France, with soaring tower tops, peaceful castles. You don't have to go to Europe when you can go to the French Village in Ba Na Hills to feel the splendor and magnificence of ancient castles, a very European beauty in the heart of Da Nang. **Cau Vang :** At the stop of Bordeaux Station is the Golden Bridge - the symbol of Ba Na Hills. The Golden Bridge at Ba Na Hills is one of the 100 best destinations in the world. Coming to Ba Na Hills, everyone will definitely want to check-in with this "legendary" virtual living symbol, so you should come here early in the morning, or in the afternoon to avoid the situation of having to crowded to take pictures. Please! **Linh Ung Temple:** The temple is located in the Ba Na Hills tourist area, which is one of the ideal places to hunt clouds in the area. **Linh Ung Pagoda** in Ba Na Hills together with Linh Ung Pagoda in Ngu Hanh Son Mountain and at Bai But Son Tra are located in three positions to create a three-legged stand for Da Nang. **Linh Ung Pagoda** is located on a land with beautiful, sacred and poetic terrain at an altitude of 1,500m above sea level, and on the premises is a statue of Buddha Shakyamuni Buddha. **Wine Festival :** At the Wine Festival held in the fall, you will be directly involved in the production of wine - the famous wine of France. One of the most loved and anticipated traditional activities at European wine festivals is the La Batalla del Vino ceremony. This ritual will be faithfully recreated at Ba Na Hills, helping you better understand the famous French drink. **Fantasy Park:** As the largest amusement park in Vietnam, Fantasy Park is suitable for all ages. The amusement park has more than 100 games with different levels, waiting for you to explore. In particular, in Fantasy Park there is an interesting place called "Back to Jurassic", which brings us back to the era of the dinosaurs, very realistic and vivid.

Please! Linh Ung Temple: The temple is located in the Ba Na Hills tourist area, which is one of the ideal places to hunt clouds in the area. Linh Ung Pagoda in Ba Na Hills together with Linh Ung Pagoda in Ngu Hanh Son Mountain and at Bai But Son Tra are located in three positions to create a three-legged stand for Da Nang. Linh Ung Pagoda is located on a land with beautiful, sacred and poetic terrain at an altitude of 1,500m above sea level, and on the premises is a statue of Buddha Shakyamuni Buddha. .Wine Festival : At the Wine Festival held in the fall, you will be directly involved in the production of wine - the famous wine of France. One of the most loved and anticipated traditional activities at European wine festivals is the La Batalla del Vino ceremony. This ritual will be faithfully recreated at Ba Na Hills, helping you better understand the famous French drink. Fantasy Park: As the largest amusement park in Vietnam, Fantasy Park is suitable for all ages. The amusement park has more than 100 games with different levels, waiting for you to explore In particular, in Fantasy Park there is an	Historical sites	True	Edit Delete Images
